

# Burlesque Classes in Chicago

**Mondays, 8:30-9:30pm**  
**\$20.00 per class**  
**or \$60 for 4 weeks**  
**Teacher is Red Hot Annie**

**Red Hot Annie** began as – and remains – a pinup model since 2003. With an extensive performance background to draw on, she turned her attentions to burlesque in early 2008. In short order, she has become one of the most recognizable and visible faces in Chicago burlesque, blending comedy, sexiness, and storytelling into a crowd-pleasing style. She has performed with – among others – Beast Women Cabaret, Varietease Cabaret, and Belmont Burlesque Revue. In July 2008, Red Hot Annie paired up with Dick Dijon to create Vaudezilla Productions, which has become a major force in Chicago by redefining the burlesque bar show and setting a new standard for burlesque variety shows. In 2009, she began expanding her presence beyond Chicago, making appearances at the Vancouver International Burlesque Festival, the Texas Burlesque Festival, and with the Brew City Bombshells in Milwaukee.
